Features

Highlights of e-Bidding portal

- Facilitates bidding as per rules of OALP and the NIO.
- Internet based e-bidding portal
 - ✓ URL: <https://ebidding.dghindia.gov.in>
- e-tendering mode
 - Confidential & Sealed bids
 - Single Stage – Two Part bidding
- Class-III DSC required
- Demo video & user manual available on site.

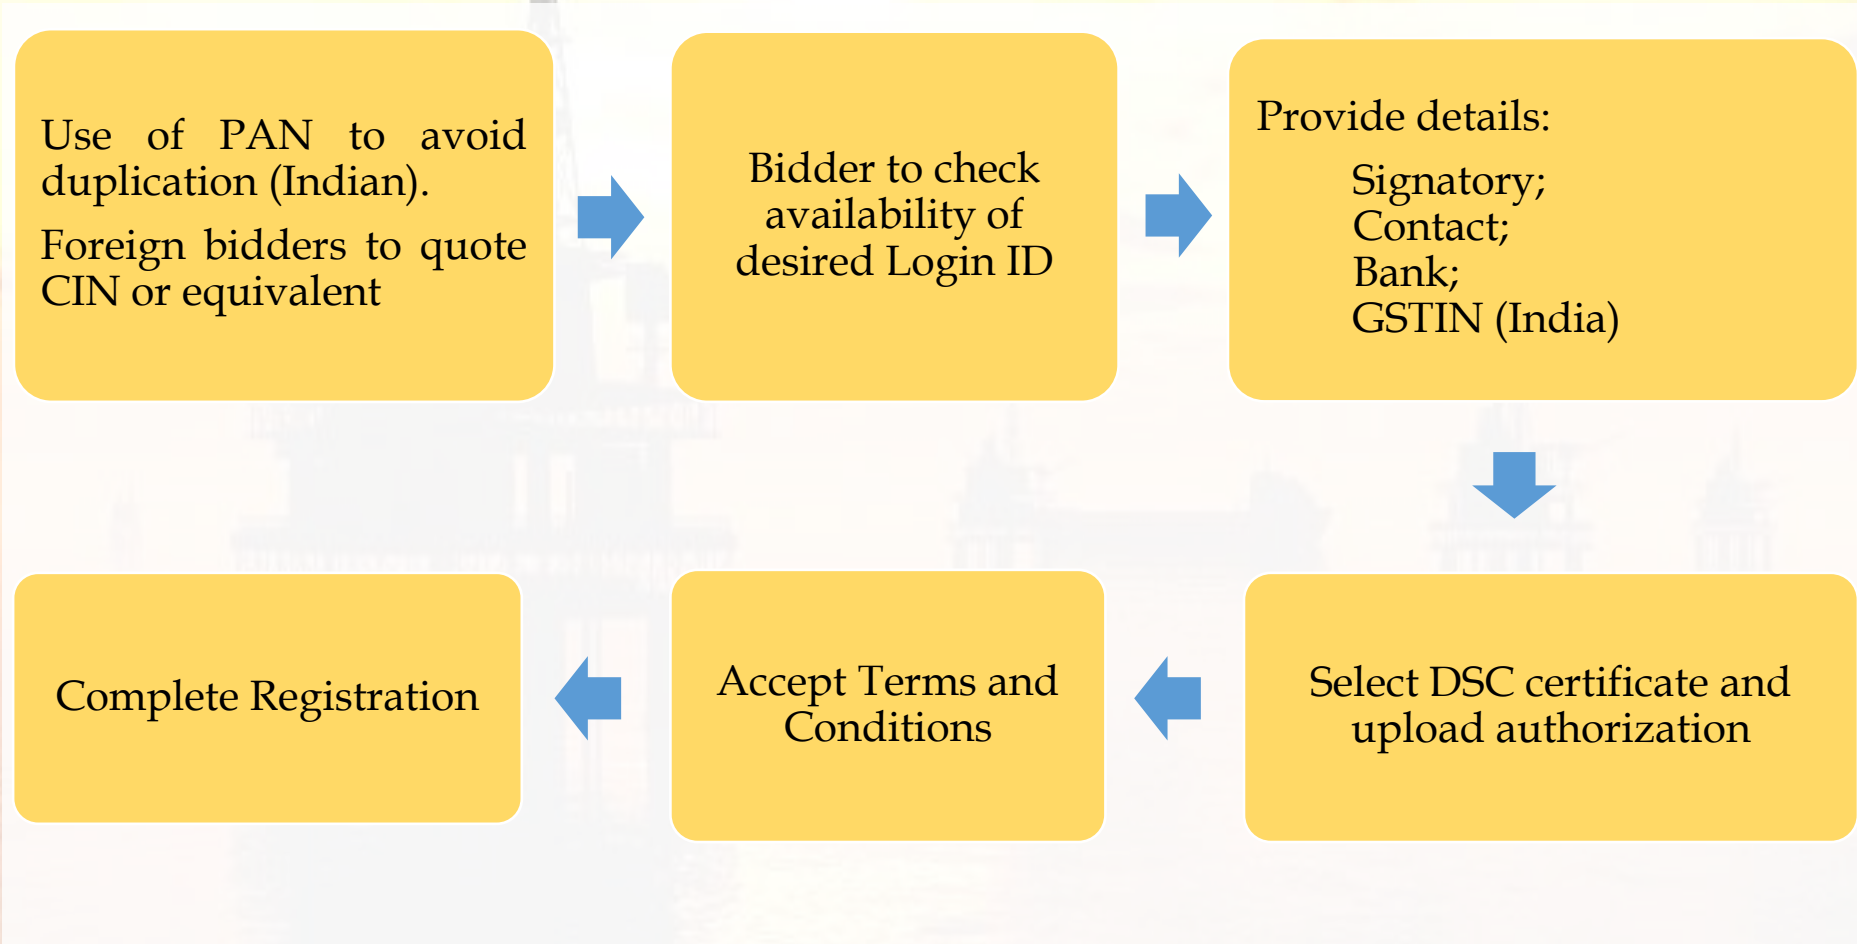

Highlights of e-Bidding portal

- Secure, STQC certified
- Online Registration
- Online Bidding
 - Parent – Subsidiary
 - Consortium
- Online Opening, Ranking & Allocation

Registration Process

Registration : Process

Features of e-Bidding portal

- Bidding Company, Subsidiary Company & Bidding Consortium has to **register online**.
- PAN/CIN equivalent based registration and **Class-III DSC** (signing & encryption) is required to complete registration process.
- **Only companies** can bid either alone or through subsidiary or by forming consortium with other company(ies).
- Bidder has to specify **Net Worth*** and bank details at the time of registration.

*Updation of Net Worth can be done by DGH only.

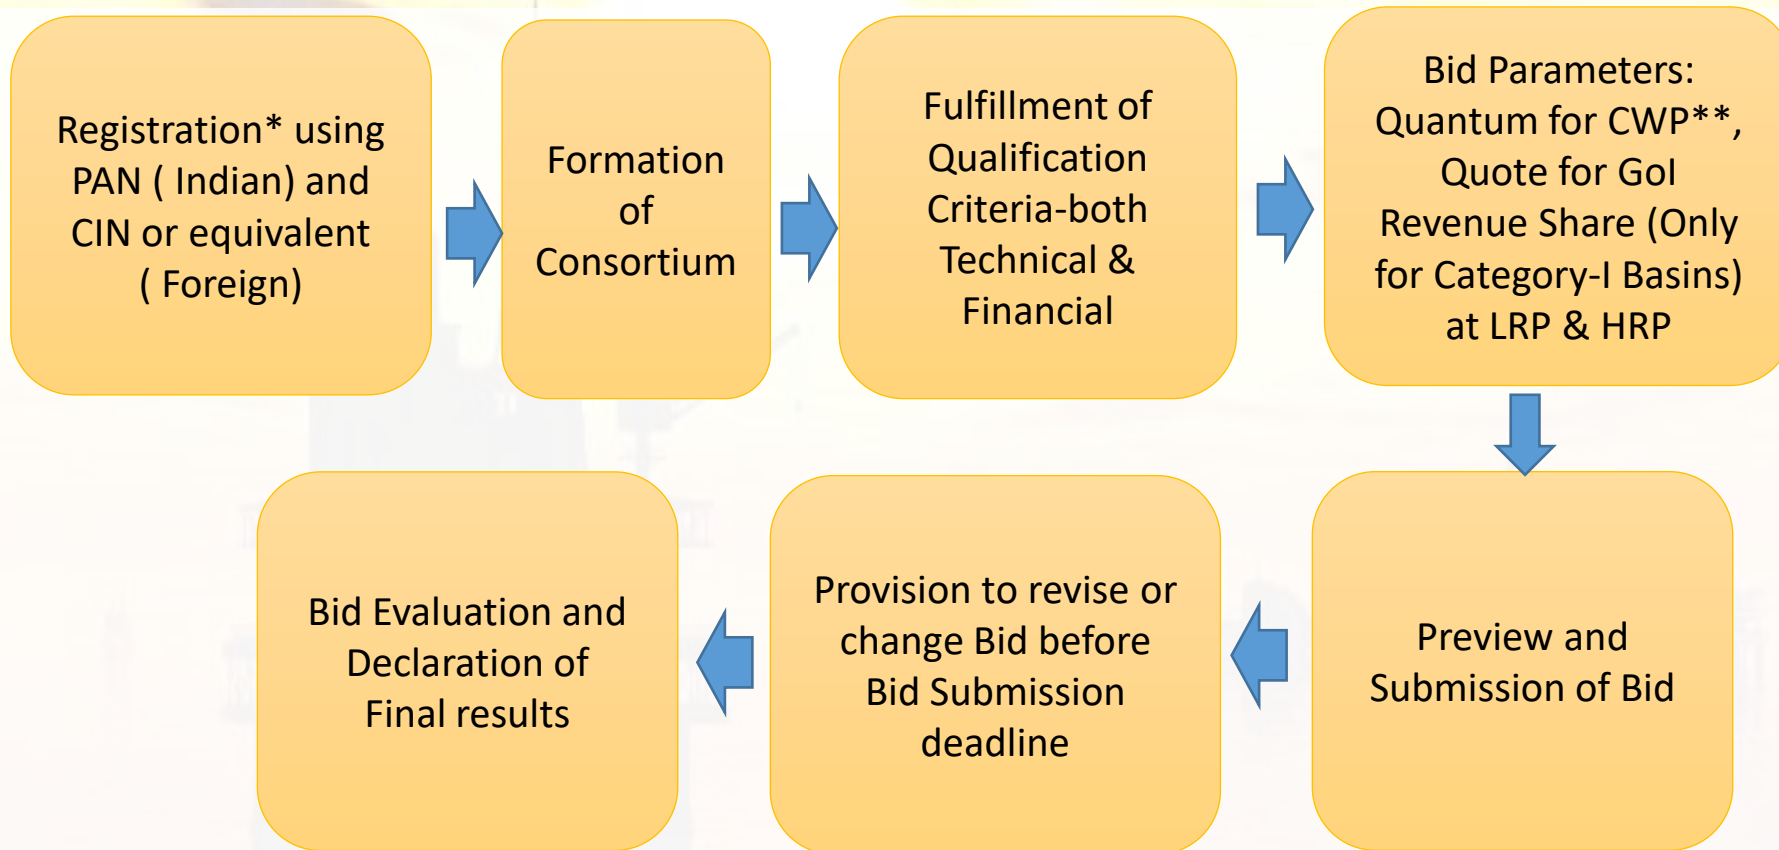

Bidding Process

Highlights of e-Bidding

- All blocks on offer with details will appear in public domain.
- Bidder may **show interest** in any/all live Blocks and can add bid **after payment of Tender Fee** and purchase of Basic Data Package through NDR (ndrdgh@gov.in).
- Bidder has to **assign priorities** to the blocks.
 - ✓ Priority of one block **must be different** from the other one.
 - ✓ In case of **Consortium**, priority assigned by **lead bidder will apply to all members**.
- Bid **revision is allowed** till bid submission deadline.
- Latest bid overwrites previous bid
 - ✓ Previous bid can be modified or completely overwritten.

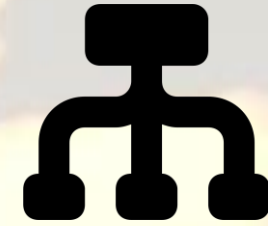

e-Bidding portal-Bidding Process for a Block

***Mapping of DSC is required for signing and encryption of Data submitted by Bidder.**

****System will calculate value of CWP vis-a-vis to consortium's Net Worth and show error message if Block CWP value is greater than the Net Worth. In that case company can submit a Bank Guarantee (BG) against the shortfall of Net Worth.**

Parent & Subsidiary Bidding

Parent- Subsidiary Bidding

- Subsidiary can use **Parent's Net Worth**
In case individual Net Worth is insufficient.
 - ✓ Scanned copy of **authorization letter from Parent** company is mandatory.
 - ✓ **Newly formed Subsidiary** can mention **Parent's Bank account** details.
- If only a **Single Subsidiary** is bidding, online registration by **Parent Company** is optional.
- **Parent to register and authorize** all subsidiaries to bid only if
 - ✓ multiple subsidiaries are bidding; OR
 - ✓ subsidiary and parent both are bidding.

Note: Subsidiary & Parent need to have separate DSC.

Consortium Bidding

Consortium Bidding

- ✓ Consortium members need to **register separately**.
- ✓ “**Lead bidder**” forms proposed consortium and indicates **Participating Interest (PI) %**
 - ✓ Lead bidder **indicates the Operator**.
 - ✓ Members need to **approve participation** and their PI %. (PI \geq 10%)
- ✓ Lead bidder to bid.
 - ✓ The **Operator’s experience**, acreage and/ or production documentation to be furnished.
 - ✓ The **Operator’s experience**, acreage and/ or production **determines Consortium’s technical eligibility**.
- ✓ Each member of Consortium needs to have **Net Worth in proportion** to its PI for minimum Net Worth as per Qualification Criteria and also for value of Committed Work Programme (CWP).

Single Stage – Two Part Bidding

Single Stage Two Part Bidding

- Bidder has to furnish below details in two parts:

Part-I : Bid Qualifying Data viz.

- ✓ Operatorship Experience, Minimum Acreage Holdings or Minimum Average Annual Production.

Part-II: Bid Evaluation Data

1. Quantum of Work Programme:

- ✓ RSC Category I Basins / RSC Category II & III Basins:

Biddable Work Programme like 2D Seismic survey, 3D Seismic survey, Exploratory wells and Core Analysis along with Bank Guarantee in lieu of Net worth (if required).

- System will **calculate Value of CWP, LD and BG value.**
- Declared **Priority used for allocation** in case bidder wins more blocks than supported by Net worth (NW) & BG (Cumulative CWP > NW+BG)

Single Stage Two Part Bidding (...cont'd)

2. Quote for Revenue Share:

Quote for Revenue Share (%) to GoI at **LRP** and **HRP**.

System will **flash computed Average Net Present Value** (NPV)
based on four published Notional Revenue Profiles.

(NPV calculator, different for POC and CBM, is available on DGH
and Portal websites)

3. System will award 5 marks to the Originator of the Block.

Note : Quantum for CWP and Fiscal components (GoI Revenue Share at
LRP and HRP for Category-I Basins) to be quoted Online only.

If submitted physically, envelopes will be returned unopened.

Online Attachments

In case you want to place a consortium bid as the lead bidder of the consortium, please create consortium first then click SAVE & ADD ATTACHMENT(S) button to upload required documents later. If you proceed without creating consortium by clicking SAVE & ADD ATTACHMENT(S) button, system will automatically assume that you wish to place a solo bid, and will hide the CREATE CONSORTIUM button & your bid will be treated as SOLO bid. However, you can change your decision (from SOLO to CONSORTIUM bidding) by withdrawing interest while your bid is in saved (draft) mode or submitted status as SOLO bid. In this case your bid will be deleted & you have to create consortium afresh, add attachments & submit bid accordingly. In the same manner if your bid is saved or submitted as consortium, even then you can change your decision (from CONSORTIUM to SOLO bidding) by withdrawing interest. In this case your bid will be deleted & you have to create your solo bid afresh.
