1. Registration for New User

For registration of new user, click on "New User" link on Login page.

Fill user details, then click on "Proceed to Block Mapping".

Your Username is: RA4058

Select Blocks for your Operator : Oil & Natural Gas Corp. Ltd.

Clicking Preview will let you review the application before submitting.

Select block for which user wants to map their username. Then click on "Proceed to Preview" for previewing the application before submitting.

		Date: <u>31/12/2020</u>

Click on "Confirm and Print" for confirmation of mapping between user and block. You are required to print out a copy of the PDF generated after submitting this document and get it duly signed. The signed document must be sent to DGH through email. Once your application is approved at DGH, your password will be sent to your email.

2. Login Process

The action of providing the proper credentials for a website is called logging in, or signing in.

As a user, you are required to enter your **User Name** and **Password** and then click on the <u>Login</u> button to login into the system. You will find your User Name and Password in your email inbox once you have been provided by DGH.

After logging in it is recommended that you change your password by going to your Profile and clicking on Change Password.

3. Forgot Password

The user can use "**Forgot Password?**" link to reset password when user forget the password. The user has to provide User Name and Email, and using captcha, New Password will be sent to email.

Royalty in USD and INR will be calculated in system based on royalty rate.

Data submitted by clicking on *Save as Final* may not be modified later. Therefore, the user must verify the data properly before clicking on *Save as Final*. If you wish to modify the data later, click on *Save as Draft*.

Once the data are *Save as Draft*, the user can add or edit or delete data (**Plus**, **Edit**, **Delete** sign in the given table).

For Onland fields:

User has to pay royalty and provide royalty payment details in RMS manually.

After Clicking on Save as Final, a message will appear. Message is "Before Final Submission of Data, Please Enter Royalty Paid for selected Field". If user click "**Yes**" then page will redirect to Royalty Paid Form. If user click "**No**" then page will not redirect to Royalty Paid Form.

11. Royalty pay through BharatKosh API

For offshore fields, user has to pay royalty through BharatKosh API which is integrated with RMS and it is mandatory. After payment from BharatKosh API, royalty paid payment details will be automatically updated in RMS, no need to provide royalty paid payment details manually.

Royalty payment through BharatKosh API for Registered users

Step 1: Login in RMS and save invoice details of gas/cbm/oil/condensate and click on 'Save as Final and Pay Royalty' button. Then click on 'Yes' for payment and 'No' to close the window.

13.Penal Royalty provision under PNG Rule 2003

Royalty is to be paid by Contractors on monthly basis. Royalty of a particular month is to be paid before the last day of the next month failing which, penal royalty is chargeable as per Rule 23(1) of the PNG (Amendment) Rules, 2003 which states:

"All license fees, lease fees, royalties and other payments under these rules, shall, if not paid to the Central Government or the State Government as the case may be, within the time specified for such payment, be increased by a penal rate of 200 (two hundred) basis points over the prime lending rate of State Bank India for the delayed period."

14. Royalty Payment for Off-shore nominated blocks

Users can also pay royalty for offshore nominated blocks through BharatKosh API which is integrated with RMS and it is mandatory. After payment from BharatKosh API, royalty paid payment details will be automatically updated in RMS, no need to provide royalty paid payment details manually.

Step 1: Login in RMS and users need not to provide invoice details in RMS of gas/cbm/oil/condensate and click on 'Save as Final and Pay Royalty' button. Then click on 'Yes' for payment and 'No' to close the window.
