

e-submission of Hard Copy Documents under Eol submissions

"The Eol submission closing date for the current Eol window under HELP is July 31, 2021.

*In the present scenario of COVID-19 and restrictions imposed by various agencies these guidelines and special dispensation are being issued to facilitate the **Eol submitting parties** for compliance with Eol submission requirements under OALP Modalities.*

In view of social distancing requirements and logistical issues the physical submission of Eol documents at DGH offices as per OALP Modalities will not be required by Eol submitting parties or their representatives in person under this Eol window.

As a special dispensation e-submission of scanned copies of all the required documents through uploading in the Eol portal and additionally emailing the scanned copies to facilitation email id (facilitationoal@dghindia.gov.in) / through a FTP link shall be considered sufficient compliance with physical document submission under OALP Modalities. Non submission of the documents in either of the above modes may lead to rejection of the Eol at the sole discretion of DGH.

However, the Participation Bond has to be mandatorily submitted in original through a reputed courier service or delivered in person, so as to reach DGH within 7 days of submission of Eol. Any delay beyond the permitted timeline may lead to rejection of Eol. All the documents of the Eol submitting parties submitted electronically under special dispensation e-submission will be checked and verified before carving and putting the Eols as blocks on offer for International Competitive Bidding (ICB).
